## The Lion Tour Championship - 2021

The Club Captains of Northland Golf Club, Whangarei Golf Club, Sherwood Park Golf Club, Waitangi Golf Club, Bay of Islands Golf Club, and Waipu Golf Club as Host Clubs invite their members along with **members from any other Golf Club in Northland** to register for...

# The Lion Tour 2021

There will be a registration fee of \$20 per player payable to Northland Golf Club.

- **The six Host Clubs should aim to register at least 10 players in the LION TOUR.**
- **Other Northland Clubs outside the Host Clubs are encouraged to take part in the LION TOUR and are directed to the Club Entry Details below.**

Players will accumulate points according to the table below during the six Lion Tour events. The points will be calculated on nett scores. Where players nett scores are identical the points allocated will be the same as indicated on the table so each player on a tying score will receive the same number of points. For example:

2 Players finish on Nett 67 are 1st equal - they will each receive 500 points

3 Players finish on Nett 70 are 2nd equal - they will each receive 300 points and so on.

For the Lion Tour Championship Final itself the top 40 points leaders after the Lion Tour events will be eligible. If for any reason, a player among the top 40 does not compete in the Lion Tour Championship, he will not be replaced.
