### KNOW YOUR GOLF RULES

#### Today's Topic. Relief for Ball Not Found but in Penalty Area.

If a player's ball has not been found and it is known or virtually certain that the ball came to rest in a penalty area:

- The player may take penalty relief under Rule 17.1d or 17.2.
- Once the player puts another ball in play to take relief in this way:
  - The original ball is no longer in play and must not be played.
  - This is true even if it is then found on the course before the end of the three-minute search time (see Rule 6.3b).

But if it is not known or virtually certain that the ball came to rest in a penalty area and the ball is lost, the player must take stroke-and-distance relief under Rule 18.2.

(In the case of the 13th, this is from the area where that original shot was made and not necessarily from the drop zone).

### TORO SIDEWINDER 3100D

The club has just purchased a new mower from Parkland Products. You will see this out and about on the golf course.

### SPONSORS

Thanks to Northland Toyota for their continued support of our golf club with the delivery of a new 2026 Toyota Hilux.

Photos show CEO of Northland Toyota Aaron Budrewicz handing the new vehicle over to our clubs Greens Superintendent Iain Power who appreciates having the use of such a great vehicle. If you are looking for a new or used vehicle pop into the Toyota Showroom on Porowini Ave. Thanks again to Northland Toyota for your sponsorship.

### THEFT AND BURGLARY

Unfortunately Okaihau Golf Club has suffered a burglary on 1 May resulting in theft and equipment damage. Two golf carts were stolen with their clubs on board and another cart interfered with.

A photo of one of the carts is shown here but the other one did not have any photos and is a white coloured E-Z-GO cart with "Terry" on the bonnet. These carts may be offered for cheap sale so beware of any markings that might identify these two carts. Although Northland Golf Club has recently hardened its security measures, members are encouraged to report without delay any suspicious activity or unusual damage to Club buildings and equipment. Such incidents are best reported directly to the Shop or called 435 1777.
