KNOW YOUR GOLF RULES

Today's Topic: **Ball in motion deflected - Two balls played from putting green collide**

When two balls played from the putting green collide when they are both in motion, the players must replay their strokes without penalty by playing a ball from the spot where that stroke was made. Any player that does not replay their stroke gets the general penalty and the stroke counts, but the player has not played from a wrong place. But if a ball played from the putting green hits another ball at rest on the putting green and both balls were on the putting green before the stroke, the player's ball is played as it lies and the ball that was at rest is replaced (Rule 9.6). The player who made the stroke gets the general penalty in stroke play.

In match play there is no penalty.

ANZAC DAY TOURNAMENT

For all those persons who want to play in the tournament, please try to register prior to 25 April. This allows prior preparation to be done. The tournament will be a multi-tee start therefore **anyone on the course prior to the start of the tournament will need to leave the course**. Anyone who has played on the course prior to the start of the tournament cannot play in the tournament. Note that the Shop and Driving Range **will not open till 10am**.

RATING OF THE COURSE

As many of you will know, the course was rated again as part of a routine call-up for re-rating. The results have been received and are attracting discussion within the Club. After the results are confirmed the stroke index allocations will be reviewed and restated. Until then the status quo remains in place.

MEN'S MATCH PLAY CHAMPIONSHIPS

The poster for the Club Match Play Championships is attached below. See also the poster and rules at the Club online site. The dates and all relevant information are in the two online documents and will also be posted on the Club Shop noticeboard.
