KNOW YOUR GOLF RULES

Am I allowed to ground my club behind or in front of my ball in a bunker as seen in the picture?

No. Players are generally not allowed to ground their club behind the ball in a bunker. Specifically, Rule 12.2b prohibits touching the sand with the club right in front of or behind the ball, during a practice swing, or on the backswing. However, players may touch the sand to remove loose impediments or movable obstructions, provided it is reasonable and does not improve the conditions affecting the stroke.

The penalty for Breach of Rule 12.2: General Penalty. Two penalty strokes in stroke play and loss of hole in match play.

CHECKING IN BEFORE YOU START PLAY

All players must check in with the Club Shop prior to starting their game. Unless advised otherwise, all players must start off the 1st tee and checking in with the Shop is mandatory.

THE HODGE FOUNDATION WOMEN'S PAIRS

The 2026 Hodge Foundation Northland Women's Pairs Tournament, held on Thur 22 Oct, was a great mix of fun, camaraderie and healthy competition. Our continued support from the Hodge Foundation is very appreciated. The community spirit and "can do" attitude shown by our women members to make this a memorable event was fantastic. There were 70 women in the field with 15 clubs represented from Rawene to Warkworth.
