SPONSORS

When it comes to comprehensive security guard solutions in Whangarei, no one does it better than NDS security services. They offer a wide range of security guard services, including guards on duty, mobile vehicle patrols, event security, alarm monitoring and response.

Whatever the nature of your business and whatever your security Guard needs, Northern Districts Security has the solution for you. They are the number one choice for many companies across Northland servicing from Wellsford to Kaitia as well as the urban areas of Whangarei.

GARDENING

Volunteers have given up their spare time to create, repair and improve many gardens about the Club grounds. This stone garden bed in the picture was created over the last week where previously there was a bed of weeds amongst the flowers seen here.

The Club appreciates the efforts and time given by those volunteers involved in the gardening tasks about the Club.

Thank you.

GREENS TEAM - PLEASE GIVE THEM SPACE

Our Greens Team have precedence on the golf course while carrying out their work. They are working hard to keep Northland Golf Club in great condition for everyone to enjoy, and their safety must always come first. Please be patient and wait until the team has safely cleared the area before playing your shot.

Always check that the area ahead is clear before playing and give our Greens Team the time and space they need to work safely. Thank you for helping us keep our team safe and our course in great condition.
