RAKES AND BUNKERS

Has this ever been your situation? The ball is caught under a rake, close to the edge of the bunker, and on a downslope. Not a good scenario.

There have always been arguments for and against where the rakes should be placed: in the bunker, outside the bunker, in a pipe stand, etc.

After discussions with the Greens staff and the Match Committee, it was

agreed that the following would be applied: After playing out of a bunker and raking it smooth again, the rake is to be placed back in the bunker flat surface with minimal disruption to the sand.

This will normally be the centre of the bunker away from the bunker edge. Any ball caught up by the rake can then be played from a smooth even surface away from any interference from the bunker edge.

HOLE IN ONE - GORDON GULLERY

Congratulations to our Men's Captain - Gordon Gullery who had a Hole in One on Sunday on the 18th. He said he's "only been waiting since 1982".

Gordon Gullery with winning ball.

TOP DOG AND CALCUTTA

The Top Dog competition is due to start on 31 Aug 25 and the poster will be issued by the middle of July. Preceding that is the beginning of the Top Dog Calcutta managed by Larry Drake. Larry has already begun the Calcutta administration so if you see him with his records and entries and you want to join the auction please talk to him.

Good luck to all Calcutta competitors.
