WOMEN'S NATIONAL TEAM DAY

The Women's National Teams Day will be played on Sun 11 May at Northland Golf Course starting at 9.30am off the 1st and 10th tees for over 50 players. This will be under the control of North Golf and the format will be Four Ball Best Ball Stroke Play. The draw will be issued by North Golf. There will be restrictions on when general play can begin and from what tees. This will be advised by the Golf Shop.

OMAHA GOLF CLUB VERSUS NORTHLAND GOLF CLUB ANNUAL CHALLENGE

The response for this event has been slow over the week and the Club would like to be represented by at least 12 players. If you are able to attend please register at the Club Shop. The trip is about 1 hour 50 minutes each way so the team usually shares cars and fuel costs where necessary. This is a good opportunity to experience playing at a different golf course and help the Club retain the trophy.

LION TOUR FINAL

The Lion Tour 18-Hole stroke play final is on Sun 18 May. There will be 15 groups of four starting off the 1st tee (only) from 9 am until about 10.45 am. There will therefore be restrictions on when general play can begin and from what tees. This will be advised by the Golf Shop.

LOOKING AFTER THE GREENS

It seems that during the Thursday haggles there is a player or two scuffing the surface of the greens with their shoes. This is not a one-off and has been reported in the Tee Times before. The photograph you see here was taken on Fri 2 May. If anyone within your group is doing this and has not noticed the damage please advise them to lift their feet. We have great greens and need to protect them.

THURSDAY SCHOOL HAGGLE

Over recent years there have been numerous times where the men have started their round off the 10th tee and have caused the Women concerns about slowing down their pace of play. It also interferes with the flow of the women players who are, or soon about to, transit from the 9th to the 10th tee. In order to avoid this issue the Thursday School convenor has advised the field that NO-ONE is to start their round off the 10th tee, only start off the first. This requirement has not been rescinded and all Thursday haggle players are requested to adhere to this protocol.

DRIVING RANGE

Thanks to Matson Contracting for getting the upgrade work done on the fencing for the Driving Range in the tough weather conditions last week.
