### NORTH GOLF HOTPRINTZ TEAM AMBROSE SERIES

During the first four months of 2026 a series of qualifier rounds will be held by 10 different Northland Clubs after which a regional qualifier will be held by North Golf. The competition will include 3-person teams of men or women or mixed. The winners of each Club qualifier will go forward to the regional final and compete to be the ones to play in the Grand Final at Te Arai Golf Club. Second place-getters will take the place of the winners if players are later unable to field a team that played in the Club qualifiers.

A poster and the rules will be released in next week's Tee Times and media platforms.

This is a fantastic opportunity to create a great team that will go through to the end to play in the funded Grand Final at Te Arai Golf Club.

### KNOW YOUR GOLF RULES

#### After the Round - Scorecard Responsibilities

You haven't finished your round when you hole out at the 18th - you must now deal with checking and returning your scorecard. Returning your score is an integral part of game but is also possibly the most frustrating way to be penalised or DQ'd if done incorrectly. You must return your card without "undue delay" so this should be the first job you do after leaving the 18th green. Also, once your card has been handed in it is "final" and cannot be changed.

It has been noted that some players choose not to submit a good or bad card so as to create some control over changes to your handicap. Please note that after each round it is required that your signed and competed card is handed in for handicapping and results recording purposes. Your handicap must reflect your actual skills level so ensure you put your completed card in.
