VOLUNTEER OF THE WEEK

Calling for Volunteers!

Please contact the Golf Shop if you would like to help out in some way this year and also if your circumstances have changed and you have to change your voluntary efforts.

New Zealand Women's Masters From Wednesday 7th to Saturday 10th of April we will be hosting this event.

It will involve Representative teams of 6 from all 14 New Zealand golf associations.

The event itself is run by Golf NZ however we will be providing the course and people power to make this a showcase event for our club.

It does mean though that our course will be out of action for club golfers, unfortunately, during these days, but we will approach other clubs in town to cater for our players during this time and will advise you in due course.

As we prepare for this event we will be canvassing members about how they can assist with the running of this event. We will be needing to borrow trundlers, supply spotters and starters as well as carry out other host responsibilities.
