Club Notices

Bells, bells...

If you are playing the 9th or 13th please remember to ring the bells so that following players do not hit up on you. Several players have recently experienced scares on these holes with balls landing near them. The bells are there for a reason! If you are on the tee at these holes do wait until you hear the bell before hitting!

Our awesome course

The 12th Hole "Totara" is our longest Par 3. A narrow gap to fire through and strong wind can often be hazards here.
