"TEE TIMES"

Newsletter of the Northland Golf Club - Monday 4th January, 2021.

VOLUNTEER OF THE WEEK

All Volunteers

A huge "THANK YOU!" For all your great work in 2020. We are looking forward to the same great levels of commitment to our club in 2021.

Please contact the Golf Shop if you would like to help out in some way this year and also if your circumstances have changed and you have to change your voluntary efforts.

Important notices on Rules

Players must follow the Rules of Golf in all competitions.

The NGC Committee discourages particularly the practise of "Gimmies" in all stroke play competitions, this being contrary to **RULE 1-1** of the Rules of Golf.

RULE 1-1 states:

"Golf is played in a round of 18 (or fewer) holes on a course by striking a ball with a club."

Each hole starts with a stroke from the teeing area and ends when the ball is holed on the putting green"

This applies to all Club competitions in 2021 including Tuesday, Thursday and Sunday Men's Competitions.

CRACKS IN GROUND - Local Rule...

"Cracks in the ground in the **general area** are deemed **abnormal course conditions**.

If the players ball rests in a crack the player may take relief in accordance with rule 16.1b.

(Note interference does not occur with the players stance.)

This local rule will stay in place until players are notified on the whiteboard outside the Golf Shop.
