Thanks to NORTHLAND TOYOTA for a

My Golf

More hits than the Beatles,
more chips than Burger King,
but I'm neither rich nor famous,
it's a most peculiar thing.

I've now compiled more hundreds
than Ponting at his best,
but never once been asked to play
in anybody's test.

I'm familiar with more bits of rough
than travellers far from home,
and know my head stays stiller
than your average garden gnome.

I know my set-up's perfect,
my grip is quite unreal,
my backswing's just like clockwork
I've got timing, style and feel.

I bring the club down smoothly,
speeding up a tiny bit,
it's when the club gets to the ball
the whole thing turns to shit!
